2017 WSHSCA Student Application

Name _____ Current School _____

The goal of the Weldon STEM High School Career Academies (WSHSCA) admissions process is to select and admit a diverse group of students who have a genuine interest in the pursuit of this unique and rigorous program. The selected student population will closely reflect the diversity of Halifax County, including academic, ethnic, geographic, and socioeconomic diversity. Before completing the application, please review the information below. If you have any questions, please see your middle school counselor before completing the application.

Is Weldon STEM High School Career Academies the right place for you?

- WSHSCA is a four year program and requires a four-year commitment.
- Students complete a high school diploma, college certificates, and up to two-years of college transfer credit.
- Students often work in teams on projects and presentations.
- Learning is assessed nontraditionally as well as by standardized testing.
- Students will participate in many off-campus learning activities; participation is required.
- College classes for WSHSCA students require the same expectations, content, and levels of rigor as for traditional college students.
- College classes have no excused absences. Once absences exceed the maximum number, students are dropped from college courses.
- Cost of college textbooks is covered by Weldon City Schools (WCS).
- Students are eligible to participate in WCS district high school athletic programs, band, chorus, and JROTC programs.
- Bus transportation is provided from specified locations around the Weldon City Schools districts perimeter or from the student's home if you live within the Weldon City Schools district lines. If you live outside of the Weldon City School's district lines, you will be expected to arrange transportation to and from WSHSCA or to and from the transportation pick-up/drop off locations designated by Weldon City Schools.

Parent/Legal Guardian Commitment

The parent's/legal guardian's and family's commitment to the Career Academies concept is essential. These expectations include but are not limited to the following:

- monthly PTA meetings,
- parent teacher student conferences,
- written communication through report cards, progress reports, and personal education plans for students
- Other criteria considered by the selection committee includes the student's demonstration of the following:
 - Ability to work independently and as part of a team
 - Enthusiasm for nontraditional approaches to learning
 - Eagerness to accept rigorous coursework
 - Leadership ability or potential
 - Motivation and self-initiative

Commitment Statement: We understand and accept the above information as it may apply to our son or daughter. We understand that Weldon STEM High School Career Academies requires a substantial commitment and that signing this document is an agreement of commitment to this program. We understand that WSHSCA students are subject to all applicable policies set forth by Weldon City Schools and Halifax Community College.
